

# Me: How I learn

---

***"Tell me and I forget.  
Show me and I remember.  
Let me do and I  
understand."***  
***-- Confucius***

He had a mind so fine that no idea could violate it.  
***-- T. S. Eliot (on Henry James)***

I have a theory about the human mind. A brain is a lot like a computer. It will only take so many facts, and then it will go into overload and blow up.  
***-- Erma Bombeck***

A solved problem creates two new problems, and the best prescription for happy living is not to solve any more problems than you have to.  
***-- Russell Baker***

Of all the things I've lost, I miss my mind the most. -- ***Mark Twain***

Experience is the name everyone gives to their mistakes. -- ***Oscar Wilde***

Anyone who has never made a mistake has never tried anything new. -- ***Albert Einstein***

Any sufficiently advanced technology is indistinguishable from magic. -- ***Arthur C. Clarke***

When I give a lecture, I accept that people look at their watches, but what I do not tolerate is when they look at it and raise it to their ear to find out if it stopped. -- ***Marcel Achard***

The right half of the brain controls the left half of the body. This means that only left handed people are in their right mind. -- ***Anonymous***
